Plan/Accounting of how these funds will be spent:

Description	Budget	Explanation
Computers	\$28,000.00	We would purchase computers for the public and staff
Monitors		We would purchase monitors for the public and staff to replace outdated ones at all three locations.
Software for computers	\$4,200.00	Antivirus and security software, along with Office products for computers, Plus cloning software to install
Printers	\$3,400.00	We would purchase printers for patrons and staff at all locations
Envisionware Printing Solution	\$9,880.00	Solution to control printing for patrons
Grand Total	\$50,000.00	

Please explain how these funds will be used to provide a public benefit:

All of our current computers, for both the public and staff, are over 5 years old. By replacing the computer with more up-to-date computers we'll be

able to meet the needs of our patrons and staff, and have computers that won't have to be replaced immediately. All the funding will go for public and staff technology to make it easier to access the materials and information they need. Our patrons need current technology to access the fast-changing world of computers and networking.
